- Turns scattered marketing into focused growth
- Supports sales teams, distributors, and revenue goals
- Builds brands, campaigns, catalogs, and digital presence
- Strong in analytics, messaging, and execution
- Creates polished work that performs

PROFESSIONAL EXPERIENCE

Marketing Director

Tipton Company and Component Manufacturing Company | 2025 to Present – Conroe, Texas

- Lead multi brand B2B marketing strategy and execution for plumbing and mechanical manufacturers across five state territories
- Partner with inside and outside sales teams to develop targeted promotions, line sheets, and distributor-facing materials that support sales efforts
- Standardize catalogs, product sheets, and training materials across 20+ manufacturers, improving consistency and usability for sales teams and distributors
- Serve as marketing liaison between manufacturers and field sales, ensuring brand alignment and clear communication across channels
- Support trade events, certifications, and promotional initiatives to increase product visibility and engagement
- Contribute to new product development from concept through production, aligning marketing for effective product launches

Creative Director

Gayla Bentley | 2025 to Present – Spring, Texas

- Lead brand growth and social media strategy for nationally recognized stylist and author
- Increased engagement by 686% and views by 506% within 181 days through structured content realignment
- Increased inbound messaging by 650% using audience-focused storytelling and analytics driven adjustments
- Developed press kit and campaign assets supporting media exposure and speaking opportunities

Marketing Director

Beauty by Marj | 2024 to 2026 – Spring, Texas

- Led brand marketing across social, email, and video platforms supporting product launches
- Directed visual identity and promotional campaign materials to strengthen brand consistency
- Developed and executed the Unlimited Beauty event campaign, including flyer, program, and branded collateral
- Managed video production and publishing across YouTube and Facebook to support audience growth and engagement

Marketing Manager

Northwoods Presbyterian ELCP | 2022 to 2024 – Houston, Texas

- Transformed preschool from 10K monthly loss to 9K monthly profit within 60 days through targeted marketing and enrollment strategy
- Increased enrollment from 63 to 84 students, stabilizing financial sustainability
- Led photography, videography, print materials, and social media strategy to support enrollment growth and brand visibility

Founder

Marketing and Brand Consultant | 2011 to Present – The Woodlands, Texas

- Provide marketing strategy and creative direction for B2B and primarily B2C businesses across multiple industries
- Build brand identities including logos, packaging, visual systems, and marketing materials to support business positioning
- Design and launch websites focused on usability, customer experience, and search visibility
- Develop integrated marketing campaigns across social media, email, web, and print to support brand growth and engagement

Web Administrator

Texas Department of Criminal Justice - State Government | 2007 to 2011 – Huntsville, Texas

- Managed ADA-compliant public website for a state agency featuring 1,000+ products, ensuring accessibility and usability
- Designed and produced a 1,000-item product catalog, improving purchasing efficiency and user experience
- Improved internal communication workflows and intranet systems to support operational efficiency
- Awarded Excellence Award for outstanding performance and contributions
